## MAKE MORE POSSIBLE 2022

2022 will be another exciting year as we make short and long-term plans for facility expansion and upgrades. The demand continues to increase for programs like ARC After School as does the demand for more community-wide gymnasium space, weight room space and equipment. Assessing community needs and responding to them is at the heart of our Make More Possible Annual Giving Campaign. Our upcoming fundraising needs are:

- Remodeling for classroom expansion (without sacrificing space currently available to members!)
- Upgrading weight room strength machines and dumbbells to maximize space
- Funding the financial aid demand for membership and ARC AfterSchool tuition

Will you be part of what Makes More Possible?

## CARDIO CLASSES

**Cardio Dance:** Burn some calories while moving to the music. A cardio workout with great music, upbeat instructors that is 100% fun!

**Core De Force:** Experience the no equipment, fat blasting, total-body shred of Core De Force. In 3-minute "rounds," you'll alternate between Boxing, Kickboxing, Muay Thai, Cardio Spikes, and Body Weight training for an insane calorie burn. And that's just the beginning, because each move is rotational, meaning you get a 360-degree core workout. All you have to do is hit it hard for 3 minutes at a time. Before you know it- you have knocked out your workout!

**Jiu Jitsu:** This class focuses on grappling, teaching skills that can be used to successfully defend oneself against bigger, stronger opponents. You get a calorie torching workout while learning self defense skills!

**HIIT Squad:** Come join the squad! This cardio workout will use timed intervals to allow you to push yourself as well as rest intervals to recover. HIIT (High Intensity Interval Training) has many proven benefits including increased calorie burn and improved cardiovascular health. Class will focus on HIIT Cardio but use intervals of resistance training and core exercises to make it a full body workout.

**Pound:** Channel your inner Rockstar with this full body cardio-jam session to infectious and energizing music! Pound combines cardio, strength training and Pilates using lightly weighted drumsticks called "ripsticks" for a full body workout!

## CROSS /STRENGTH TRAINING CLASSES

**Power Pump:** Using the barbells we will work each muscle group to amazing music for a full body strength building workout. If adding in resistance training is your goal but the weight room is intimidating then this class is for YOU! What are you waiting for, GET PUMPED!

**T.B.C:** Total Body Conditioning class has it all! Cardio and weights in simple to follow but certainly not boring bootcamp based workout that will keep you guessing with new workouts and challenges each week.

**X Fit:** Our instructors will take you through a program that builds strength and increases conditioning through varied workouts. You will learn proper form on deadlift, squat, clean and more!
